OVERVIEW

Welcome to the latest **Gabriel New Product & Supersession Catalogue**, your essential guide to all recent additions and part number updates in the Gabriel range.

As a trusted name in ride control, we continuously innovate and expand our offering to meet the evolving needs of the market. This catalogue highlights our new product introductions to the range over the past 12 months, ensuring you have the latest applications at your fingertips. It also includes part number supersessions that have occurred, allowing you to seamlessly transition to updated part numbers for improved performance and availability.

At Gabriel, our commitment remains unwavering toward delivering the premium quality, reliability, and safety you have been accustomed to.

Keep your Gabriel parts listing up to date so that you can service your customers with our latest parts and new applications.

IN ORDER TO UPDATE YOUR PRODUCT DATA EFFECTIVELY, WE HAVE PROVIDED A DOWNLOADABLE EXCEL FILE FOR YOUR CONVENIENCE.

APPLICATION LISTING

New Part Number Introductions

We are excited to announce the addition of **49 new part numbers** to our range, expanding coverage across **14 vehicle makes**, **38 models**, and **48 unique applications**. This latest release ensures even greater choice, improved market coverage, and enhanced fitment solutions for our customers.

PROTECTION KIT

Gabriel Strut Protection Kits are now in stock in new and updated packaging under part number **143057**.

Designed to help protect and extend the life of your suspension system, the trusted Gabriel quality remains the same - now presented in a fresh new look for easier identification and improved shelf appeal.

PART NUMBER **143057**

PROTECTS SUSPENSION COMPONENTS

HELPS EXTEND STRUT LIFE

TRUSTED GABRIEL QUALITY

NEW & IMPROVED PACKAGING

COMING SOON

GABRIEL GASLIFT | PRECISION FIT. RELIABLE LIFT. EVERY TIME.

We're giving Gabriel Gaslift a fresh new look with updated packaging and an expanded range with new automotive part numbers covering more vehicle applications.

Our revised Universal Range also means you'll always have the right solution for canopies, and more.

FRESH NEW LOOK
Modern packaging for clarity and impact

EXPANDED RANGE
New automotive part numbers covering more vehicle applications

UNIVERSAL SOLUTIONS
Custom range for canopies and industrial applications

Get Gabriel CERTIFIED through eLEARNING

The Gabriel Shock Absorbers e-Learning Test and Certification process is designed to validate the technical understanding, installation competence, and product knowledge of technicians, fitment specialists, and sales professionals working with Gabriel products.

This structured assessment ensures that participants not only understand the function and importance of shock absorbers and struts but also know how to correctly diagnose faults, perform proper installation, and recommend the most suitable Gabriel solution based on customer needs. Successful completion of this assessment demonstrates a professional level of competency and a commitment to delivering safe, reliable, and high-quality service using genuine Gabriel components.
